

## Tea

steeped  
to leap on

tongues rather  
drunk from

so many dialects  
filtered with

lights off, phone un-  
plugged &

love fondling  
ribbons, figure

eights, each

undone lasso  
coiling strands, corn  
silk dark light  
braid upon braid

further still this  
is a puzzle isn't it here  
now

now we are  
thoroughly brewed
